

Tuition Requirements

2018-2019

I understand that my student's tuition amount is payable over a period of 12 months.

Payments in June & July are **REQUIRED**, and are due on the 1st of each month. The remaining balance of months 3-12 (Aug. – May) may be paid in full by the first day of school to receive the applicable discount. Annual balances paid **IN FULL** (before the first day of school) by check will receive a 5% discount. Annual balances paid **IN FULL** by credit card will receive a 2% discount. If total amount is paid in June, the discount will apply to the total tuition. If paid in August, the discount will apply to the amounts due for August – May.
